Lady of Fortune

Graham Masterton

Lady of Fortune Graham Masterton

They were shrewd and uncompromising, the Watsons, and all the arrogance and acumen with which old Tom Watson had built up the family's banking business was there in his children and grandchildren. Their methods were as aggressive as their lifestyle was opulent, and they could stab each other in the back or drive a competitor to ruin as calmly as a bank clerk counting out change.

In time, their empire was to encompass the great financial capitals of the world. As it grew, so too did their power and influence?

This is the story of the Watson family, and of the remarkable woman at its head ? a pulsating saga of seven decades of ambition and ruthlessness, of public feuding and private passions, of a will to succeed so powerful that not even the ties of kinship could hope to contain it.
