Meet the strange customers and sample the foul-food served up at Fuzzby's monster diner – the brilliant setting for this humorous story from debut author and illustrator, David O'Connell. Highly illustrated in full-colour.

Bright, bold colours bring these fantastic monsters to life!

Somewhere in suburbia, or maybe smack-bang in the middle of your city, there is a very special diner. What's so special about it? Well it does the best chips ANYWHERE but also its customers are a little bit 'unusual'... some people say they are monsters... The diner is hard to find, you have to look carefully, in fact some people say only a special kind of kid can find this special kind of diner. But maybe that kid could be you?

When Joe the 'hooman' gets a job at Fuzzby's diner, he learns to bake zombie-cupcakes, exploding milkshakes and not to stare at the customers – even the ones who are see-through. He also foils a terrible plan to sabotage the annual Grand Cooking Competition.

With a Special's Board that'll make your tummy churn, take a seat at Fuzzby's and join the fun.
