## **Outside Providence** Peter Farrelly

*Outside Providence* is a hilarious yet melancholy novel of a young man's coming of age in the 1970s. When Timothy Dunphy, native of working-class Pawtucket, Rhode Island, is packed off to a fancy prep school, he finds that the privileged elite is hardly immune to life's screwups. Dunphy must reconcile his pedigreed schoolmates with his mongrel friends back home--including Drugs Delaney, whose diet consists mainly of vitamin Qs (Quaaludes), and Bunny Cote, who thinks New England is a state.

Not far below Dunphy's comic demeanor churn powerful fears of abandonment by those he loves best: his mother, his girlfriend, and his closest friend. And he must come to terms with his complex relationship with the person he hates most, his father. As he struggles to live with the paradox of somehow loving the same man he blames for his family's tragedies, Dunphy begins to understand and accept life's betrayals, and learns how to trust in love.
