Siete días de Gracia (Spanish Edition) Carla Gracia

«Muchos la han olvidado. Otros la han llamado "revuelta". Pero fue una guerra. La Guerra de los Siete Días. Sin descanso. Sin paz. Sin compasión. [...]

Félix afirmaba que en el mundo solo hay dos clases de personas: las que matarían y las que, antes, se dejarían matar. Yo era de las segundas. Pero hay cosas que lo cambian todo. Una es la guerra. La otra, los secretos. [...]

Ahora me toca desvestir los misterios, desenredar los nudos y tirar del hilo. Porque, aunque hoy no quede nadie de entonces, tú nos recordarás. Y nos liberarás de la injusticia de la desmemoria. Más que eso: te salvarás de la imprudencia del olvido.»

La Revuelta de las Quintas de 1870 fue una de las tantas guerras que ha soportado un pueblo para rebelarse por leyes que únicamente protegen los intereses de unos pocos mientras truncan la vida de muchos. El alzamiento tuvo lugar en varias ciudades de España como Málaga, Béjar o Salamanca, pero en Cataluña fue más largo y sangriento. La villa de Gracia, cruelmente asediada por los cañones y las tropas que disparaban desde la calle Provenza y el Paseo de Gracia de Barcelona, fue el principal bastión de la resistencia popular.

Cuenta la leyenda que una mujer sin apellidos ni pasado fue la voz del pueblo y que, en el momento más cruel del conflicto, siguió tocando las campanas de la torre del reloj, frente al ayuntamiento de Gracia, para mantener viva la lucha.

¿Quién era esa mujer? ¿Qué la empujó a tomar partido en aquella guerra? Durante los siete días que duró el alzamiento, descubriremos la vida de Mariana y todos sus secretos.

La historia de una familia puede ser tan convulsa como la de un pueblo.
