Signals Joel Rothschild

Joel Rothschild and his friend Albert, both HIV positive, made a pact: whoever died first would attempt to "signal" the other from beyond. Joel wasn't sure he believed in psychic abilities, but from the day Albert died he began receiving messages. One message led Joel to a note Albert had left for him before he died. Another message told Joel to hang in there when he became sick, that he would get well — and he did.

Albert's messages have changed not only Joel's life but the lives of many others who have been helped by messages Joel has delivered to them. Their stories and Joel's psychic awakening — a transformation from cynic to believer — are both amazing and reassuring.
