**The Labyrinth Gate** Kate Elliott

**Transported to a magic-filled alternate world, a newlywed couple must find the treasure hidden in a labyrinth city if they ever wish to return home**

With marriage comes change, and for Sanjay and Chryse, that change is literally world altering. After their wedding reception, they accidentally drop a gift—a pack of special tarot cards—onto an elevator floor. The cards scatter, the lights go out, and all at once, they find themselves transported to Anglia. It's a strange parallel world not unlike Victorian England, but matriarchal in nature and shaped by powerful sorcery.

While fleeing a riot in the streets, the pair is rescued by aristocrats Julian and Kate, the first of many new friends and adventures. To get home, they must find a treasure in the labyrinth city of Pariam—a quest that becomes ever more daunting as it attracts the attention of the evil Princess Blessa. Wonderfully conceived and full of memorable characters, *The Labyrinth Gate* is vibrant fantasy on every level.
