CARLOS CARREÑO: 1 (Portuguese Edition) Alberto Romano Schiesari

Se você se interessa por Direitos Humanos, a história real aqui narrada mostra a facilidade com que eles são desrespeitados. Se você ainda não percebeu os perigos existentes em rotular pessoas e entidades como de direita, esquerda e centro, vai achar neste livro bons motivos para refletir sobre a questão. E poderá perceber claramente que as nuances entre a direita e a esquerda, o sim e o não, o negro e o branco, entre dois extremos, enfim, é que regem as atitudes humanas. E se você se interessar por teoria da conspiração, aqui vai encontrar um exemplo contundente de prática da conspiração. Esta é a história verdadeira do seqüestro de Carlos Carreño, que em 1987 foi tirado do convívio de sua família no Chile, e por pouco não foi morto por seus seqüestradores. E que depois de três meses foi liberado na cidade de São Paulo, mas teve que enfrentar anos de interferência em sua vida.
