Higher Education in a Globalising World: International Trends and Mutual Observation A Festschrift in Honour of Ulrich Teichler (Higher Education Dynamics)

This book contains research-based essays by established scholars from four continents. It analyzes the development of international policies in higher education and the impact of mutual observation and policy borrowing on national policies, and offers insights into recent changes and challenges for students, staff, and labour market relationships. It is for researchers, policymakers, managers in higher education, academic institutions, and government, as well as for academic staff.
