Innocent Blood: A Detective Inspector Paul Snow Novel David Stuart Davies

A child's body found in woodland. Parents torn apart by grief. But this is only the first victim in a series of apparently motiveless crime. Detective Inspector Paul Snow, heading the enquiry, must discover the pattern and reveal the chilling truth as a cunning and violent murderer becomes desperate and even more unpredictable. Haunted by secrets of his own, the complex DI Snow races against the clock, following a murderous trail that leads all the way to a dark and shocking climax. Innocent Blood, set in Yorkshire in the 1980s, is the second book in a gritty series featuring DI Paul Snow and maintains the high level of tension and dramatic surprises of the first, Brothers in Blood.
