Red, a perpetually angry resident of Bird Island, reluctantly (but only at first) takes readers on a tour of his island. Soon enough his pride in his home and the flock shines through. Arranged in four sections, readers get a taste of island life, Red-style. They see what the day-to-day is like, are introduced to some colorful members of the flock, learn all about Red's inner circle of Angry Birds, and get a sneak peek at life on Pig Island—all by way of colorful maps, cool character profiles, funny quizzes, and silly trivia.

*The Angry Birds Movie*, based on the international video game phenomenon, arrives in theaters spring 2016. With a star-studded cast that includes Jason Sudekis, Josh Gad, Maya Rudolph, and Peter Dinklage, this film will finally answer the question: why are the birds so angry?
