The Ghosts' High Noon

John Dickson Carr

The Ghosts' High Noon John Dickson Carr

John Dickson Carr, one of the masters of the British-style detective novel, evokes the danger and delights of 1912 New Orleans in this puzzling murder mystery

Journalist and spy novelist Jim Blake takes an assignment for *Harper's Weekly* that puts him on a train to New Orleans, where congressional candidate James Claiborne Blake is being targeted by enemies who threaten to reveal that there is a glamorous Creole courtesan in his past. But in New Orleans, a sexual indiscretion is not enough to ruin a politician. That would require murder.

When one of Clay's supporters is found murdered, Jim Blake sets out to clear the candidate's name—a dangerous mission in a city that comes alive at night, where rumor can be as deadly as poison.
