Turnback Creek (Widowmaker Book 2) Robert J. Randisi

THE WRONG ARM OF THE LAW

When legendary gunfighter John Locke is hired to ride shotgun on a fat payroll wagon bound for Turnback Creek, Montana, it's more than a job. It's a chance to reunite with his old riding partner, ex-Marshal Dale Cooper. The pair go back a ways, and though Coop no longer wears a badge, he wants to hit the trail one more time. But the going is not easy. There are sidewinders in the shadows, ready to pilfer the loot for themselves.

Once they get to the ramshackle town, the trouble really starts, as the pair must make a perilous trek to the remote mining camp itself, with death lurking behind every boulder and crevice. Armed with hot lead, cold steel, and an iron will, Locke and Cooper know that in this fight, there will be no winners -- only survivors. But Locke soon learns that the true danger lies closer than he thought.
